In accordance with the BSSP Governance Handbook, each agenda will include a time reserved for comments from the public:

- Members of the public will identify themselves and will direct their comments to the Chairperson.
- Speakers will be given five minutes to present their topic.
- Each topic will be limited to 15 minutes or three speakers.
- Once 2 speakers have shared a similar viewpoint, the Chairperson will ask for a differing viewpoint. If no other viewpoint is represented, a third speaker may present.
- Speakers will not be allowed to yield their time to other speakers.
- Speakers will respect the time limit granted for their presentation. Those speakers unwilling to respect the time limit will be asked to discontinue their presentation by the Chairperson. An unwillingness to halt a presentation after being directed will, at the discretion of the Chairperson, result in the meeting being called into “recess” until such time that the meeting can resume in an orderly fashion.
- No disturbance or willful interruption of any Board of Directors meeting shall be permitted. Persistence by an individual or group shall be grounds for the Chairperson to terminate the privilege of addressing the meeting.

Members of the public will be given an opportunity to address the Board either before or during the Board’s consideration of each item of business to be discussed at regular or special meetings.

- Speakers will identify themselves and will direct their comments to the Board.
- Each speaker will be allowed five (5) minutes to address the Board.
- In case of numerous requests to address the same item, the Board may select representatives to speak on each side of the item.
