

COMPLETE THE SURVEY

1. Visit the portal at www.healthstathra.info.
2. Enter the Company ID **271**.
3. Click "Submit".
4. Click "Register". (Although you scheduled through this portal last year, since more than 12 months has passed you'll need to quickly register again.)
5. Enter your Member ID: This is the last six digits of your social security number. Spouses should use the last six digits of the employee's social security plus a -1. For example, if the employee's SSN is 123-45-6789, the employee uses 456789 and the spouse uses 456789-1.
6. Select your date of birth.
7. Enter your email address and create a password (6-20 characters).
8. Confirm your password and click "Submit". If your registration is successful, you'll be taken to the main page. If not, you'll be given instructions on how to resolve the issue.
9. Click on "Take HRA Online Survey". This is your Health and Wellness Survey and completing it online is necessary in order to schedule your appointment. Complete each survey question, click the forward arrow on top of each page to advance, and click on "Commit" at the end of the survey to save your responses.
10. Read the Legal Disclaimer at the end of survey, check the box and click on "Commit" to save survey.

SCHEDULE YOUR APPOINTMENT, after completing your survey:

1. Click on "Schedule your HRA Screening Appointment".
2. Select the location and day you want to schedule.
3. Select an available time slot.
4. Verify your appointment.

After you complete the process, you'll receive an email notification of your appointment with the ability to cancel and reschedule. You can also log back in anytime to verify you've completed your survey and scheduled your appointment. Call Healthstat at 888-613-3036 (M-F, 4AM-4PM) with any technical issues in this process. (You may need to leave a message; calls will be returned within 1 business day.)
