E. DISCUSSION / ACTION ITEMS

Jean Murphy Atkins joined the meeting at 2:36 p.m.

1. Voluntary Benefits and Open Enrollment Support:

Christine Kerns and Leah Ledda, Alliant Employee Benefits, reviewed the materials regarding the process for receipt of vendor proposals on this topic. Additionally, the proposed coverages and rates from each of the three respondents were reviewed. Members shared their concerns regarding employees receiving strong sales pitches from any vendor and not fully understanding the differences between employer-paid and employee-paid options.

It was the consensus of the Committee to proceed with finalist interviews from Colonial and American Fidelity. Alliant will follow up with a draft of questions to be asked of the finalists, a summary of proposed rates for key “average” members, confirm with the impact to current AFLAC and American Fidelity products if districts move to a selected BSSP planform, and what products are portable.

2. Composition of Board of Directors and Executive Committee:

Mrs. Patterson reported the only difficulty with the current configurations is scheduling special meetings with a quorum and that the representatives of the three small districts are rarely able to appoint a representative who is able to attend, which further impacts the quorum needed for conducting a meeting. Additionally, the designated bands for the representatives to the Executive Committee are challenging when districts’ participation changes between bands.

It was the consensus to propose the following configurations:

- Board of Directors: remove the representative for the three smallest districts (Bangor, Golden Feather and Pioneer)
- Executive Committee: remove the requirement that representative to the Executive Committee represent sized bands of districts, and provide alternatives which include guaranteed appointments for Chico and Butte College based on their significant size in relation to other employers. Under these drafts, the remaining representatives would be at-large from all remaining districts.

F. ITEMS FROM THE COMMITTEE MEMBERS

There were none.
G. ADJOURNMENT
